

News From Around the Table

June 2013

Letter from the President

Dear Volunteers,

I would first like to thank all of you for your hard work, dedication and support in our mission. We are blessed to have you. Master's Table is making a difference because of you and we couldn't do it without you.

I am proud to announce the launch issue of News From Around the Table. My goal is to bring this to you on a quarterly basis. We are currently working on building our website that will assist us in getting our mission out as well as providing us with a better means of communication. Please feel free to let me know what information you would like to see in this newsletter.

I have seen an increase in our monthly dinners since we opened our doors in 2011. I have also noticed new guests arriving as well as many regulars returning. It is great to see that our mission is reaching new faces.

We have many events planned in the upcoming months and are always in need of volunteers to help us. Please consider volunteering at one or all of them if you can.

Again, thank you for all that you do in making our organization a success.

Sincerely
James Fedak Jr
